### FORINT DEPOSITS

"ACTIVE PLUS" DEPOSIT					
<b>Deposit amount</b>	Minimum deposit amount: 50,000 Ft Maximum deposit amount: 500,000,000 Ft				
<b>Term</b>	3 year				
<b>Conditions:</b>	<p><b>Active Plus deposit may only be opened if new funds are deposited.</b> New funds mean any deposit amount that is new in relation to the average of the total of the customer's balance payable on demand and his/her term deposits as in October, 2016. The average amount is calculated from the closing balances of each calendar day in October, 2016 by simple arithmetic average calculation. In the case of foreign exchange balances, the forint amount is calculated on the basis of the commercial foreign exchange buy rates valid on October 31st, 2016.</p> <p>The special interest only applies if both of the conditions below are fulfilled: a). the payment of "pay as you like" account management fee other than "0" b.) Bankcard purchase transaction in the amount of minimum HUF 25,000 in total in each month during the term of the deposit.</p> <p>The fulfillment of the conditions is checked in respect of the first interest payment period of the term deposit and in relation to the bank account from which the deposit amount has been transferred. The fulfillment of the conditions is continuously monitored by the Bank and, therefore, the criteria must be met in each month of the interest payment period. As regards the fulfillment of the above conditions, the current month begins with the day when the deposit was opened. As long as the conditions are not met, the normal interest rate equivalent the central bank base rate in effect on the day when the deposit was opened. The bankcard transaction is successful if the bank account is debited with the transaction amount (the transaction is taken into account at the time of its debiting/booking).</p> <p>For the conditions that are not detailed here and apply to Active Plus deposit in the first term of the deposit, see the conditions of "STANDARD" deposit laid down in the General Terms and Conditions of deposits.</p> <p><b>Following the first term of the deposit, the Active Plus deposit that is automatically tied up again will be the same – both in terms of interest and all other characteristics – as the Mentor-Sphere Plus NetBank deposit valid on the day when the deposit is tied up again.</b></p> <p>The Deposit holder shall name the Borrower and the loan purpose as well as the annual interest rate in the Deposit Contract when the Deposit is opened. The above will, however, take effect when the deposit is automatically tied up again and, therefore, is converted into a Mentor-Sphere Plus NetBank deposit.</p>

<b>Early withdrawal penalty</b>	0% within the interest payment period. The deposit can be withdrawn at the end of the interest payment period without loss of interest.								
<b>Open in</b>	any MagNet branch or in the NetBank system								

**Type of deposit:** automatically revolving deposit, interest either added or not added to principal

**Interest:** As long as the conditions are fulfilled, the special interest rate as shown in the chart above applies in the first interest payment period. At least one of the **criteria** listed below shall be met in each month of the first interest payment period so that the special interest rate can be applied.

- two direct debit transactions in each month
- successful bankcard purchase transaction in each month in the amount of HUF 25,000 in total
- the external crediting of minimum HUF 50,000 to the bank account from which the deposit amount was transferred

The fulfillment of the conditions is checked in respect of the first interest payment period of the term deposit. The fulfillment of the conditions is checked on the last day of the first interest payment period. As regards the fulfillment of the above conditions, the current month begins with the day when the deposit was opened. As long as the conditions are not met, the interest rate of Loyalty deposit will be applied in the first interest payment period. The bankcard transaction is successful if the bank account is debited with the transaction amount (the transaction is taken into account at the time of its debiting/booking).

External crediting shall mean any crediting when the amount is transferred from accounts to accounts that do not qualify as own accounts or crediting that are not the results of the payment of a MagNet deposit and/or deposit interest.

In the second interest payment period the Bank applies the interest rate of Loyalty deposit valid on the first day of the second interest payment period, as laid down in the general list of terms and conditions. From the beginning of the third interest payment period until maturity the interest rate of the deposit will be the same as that of the Standard deposit - the maturity of which is the same as the interest payment period - valid on the first day of each interest payment period as laid down in the current list of terms and conditions.

**Interest premium:** The interest premium will be paid in a lump sum at the end of the two-year maturity period and will be calculated on the basis of the initial deposit amount.

**Interest -Roll deposit in euro:** Renewal under the terms and conditions laid down in the current list of terms and conditions of deposits.

**Interest -Roll Premium deposit in euro:** The interest due on the last day of each interest payment period is added to the deposit/bank account. Interest is paid when the deposit is paid.

**SPECIAL OFFER Interest -Roll Premium EUR deposit opened by the application of special conversion rate:** As regards SPECIAL OFFER Interest -Roll Premium EUR deposits opened earlier by the application of special conversion rate, the interest rates of „Interest-Roll Premium Euro” deposits are applied. As long as a special HUF-EUR conversion rate is applied and the Deposit holder withdraws the deposit prior to its final maturity, the right to the application of the special conversion rate will be lost, and, therefore, the discount must be paid back to the Bank. If on the day when the deposit is withdrawn the foreign exchange sell rate applied to deposit transactions is higher than the special conversion rate applied upon the opening of the deposit, the Bank will add the difference calculated in euro to the deposit amount payable to the Deposit holder.

### General Terms and Conditions

The OBA logo seen on the first page of this list of terms and conditions informs our customers that the deposits listed here are protected by the National Deposit Insurance Fund (NDIF) according to the provisions of Act CCXXXVII of 2013. For further information on deposit insurance, see the General Contracting Terms and Conditions of Deposit Transactions and visit [www.oba.hu](http://www.oba.hu).

The institutions of the National Deposit Insurance Fund (NDIF) are obliged to issue an annual report, in the form required by the National Deposit Insurance Fund, on the total of the balances of the savings held with the financial institution and the insurance funds available to deposit holders. MagNet Bank makes the above report available to any customer free of charge in any of its branches.

New deposits may only be opened if the customer holds or opens a MagNet account in the currency of the deposit to be opened.

Unless otherwise stipulated in the contract, the Bank pays interest from the working day following the opening of the deposit until the day preceding the payment of the deposit. The Bank deducts the interest tax and the health care contribution payable on the interest gained on the deposit according to the relevant legislation.

For further details on deposit, see the General Contracting Terms and Conditions of Deposits. As regards the costs, fees and commissions not listed here, see the current list of terms and conditions of payment services.

The Terms and Conditions have been executed in both Hungarian and English. This English version shall only be deemed a translation that serves only the purpose of providing information. Therefore, the Hungarian version shall prevail over the English one for all matters of interpretation and construction.
