| Deposit amount | Minimum deposit amount: 50,000 Ft Maximum deposit amount: 500,000,000 Ft | | | | |
| Term | 3 year | | | | |
| Conditions: | <p>Active Plus deposit may only be opened if new funds are deposited. New funds mean any deposit amount that is new in relation to the average of the total of the customer's balance payable on demand and his/her term deposits as in July, 2017. The average amount is calculated from the closing balances of each calendar day in July, 2017 by simple arithmetic average calculation. In the case of foreign exchange balances, the forint amount is calculated on the basis of the commercial foreign exchange buy rates valid on July 31st, 2017.</p> <p>The special interest only applies if both of the conditions below are fulfilled: a) the conclusion of a Hungarian forint business bank account contract after 1st of May, 2016, b.) crediting transfer to a forint account in the amount of minimum HUF 100,000 in total in each month during the term of the deposit.</p> <p>The fulfillment of the conditions is checked in respect of the first interest payment period of the term deposit and in relation to the bank account from which the deposit amount has been transferred. The fulfillment of the conditions is continuously monitored by the Bank and, therefore, the criteria must be met in each month of the interest payment period. As regards the fulfilment of the above conditions, the current month begins with the day when the deposit was opened. As long as the conditions are not met, the normal interest rate equivalent the central bank base rate in effect on the day when the deposit was opened.</p> <p>For the conditions that are not detailed here and apply to Active Plus deposit in the first interest payment period of the deposit, see the conditions of "STANDARD" deposit laid down in the General Terms and Conditions of deposits.</p> <p>Following the first interest payment period of the deposit, the Active Plus deposit that is automatically tied up again will be the same – both in terms of interest and all other characteristics – as the Mentor-Sphere Plus NetBank deposit valid on the day when the deposit is tied up again.</p> <p>The Deposit holder shall name the Borrower and the loan purpose as well as the annual interest rate in the Deposit Contract when the Deposit is opened. The above will, however, take effect when the deposit is automatically tied up again and, therefore, is converted into a Mentor-Sphere Plus NetBank deposit.</p> | | | | |
